### **Using a Biopsychosocial Approach to Address Health**

We have not only taken a government and health systems approach, but focused on individual and community challenges and how creating approaches that address these challenges can facilitate societal adaptation and forward development. All of these became a part of the fabric that created the Biennial Symposium Series, the Intercultural Cancer Council and the Center for Research on Minority Health. The authorship of this paper is shared with some of those this journey has impacted. <http://naturalphysiquefitness.co/Using-a-Biopsychosocial-Approach-to-Address-Health--.pdf>

### **Introducing the Biopsychosocial Model for good medicine**

Introducing the Biopsychosocial approach as the model for good medicine and good doctors. Development of a new model. Until recent decades the traditional approach towards health and disease has been the medical or biological model where a person s ill-health was exclusively treated by medical means. At the time this seemed satisfactory but recent research in psychology and the social
