Would you believe that drinking water is one of the most healing things you can do for your body? It's true as long as it is pure, filtered, alkaline water. Yet most water is acidic. I was taught this method by one of my Chinese teachers who used to do this method every morning. This man's health was amazing and at that time I attributed it purely to his Taijiquan. As the years went by and my own experience advanced, I began to realise that we cannot live by Taiji alone.
