[The Politics of Life Itself: Biomedicine, Power, and ...](#)
For Rose, the primary limitation of Foucault's understanding of biopower is that it acts on the body rather than through the body and that this is not an adequate conception of the political issues arising out of the new politics of life in the twenty-first century.
[The Politics of Life Itself: Biomedicine, Power, and ...](#)
Nikolas Rose modifies his previous genealogical approach (in the style of Foucault or Canguilhem) to the 'life sciences' with a new methodology of 'mapping the present', which examines how myths about the future of biomedicine are deployed in debates about what it means to be human.
