and eastern regions of the continent, the River Murray valley in particular. There is evidence that some Aboriginal populations in northern Australia regularly traded with 42 Makassan fishermen from Indonesia before the arrival of Europeans. At the time of first European contact, it is generally estimated that the pre-1788 population was 314,000, while recent archaeological finds suggest that

The Secret River by Kate Grenville Goodreads

The Secret River explores human instinct on a level that is visceral, honest and depressing. Or perhaps it is just Western instinct, rather than human instinct--and that is even more depressing. The novel tracks a family of Brits at the turn of the 19th century as the family is deported to Australia for crimes committed by William Thornhill, husband and father, and as it engages the challenges of the wilderness.
