The Warrior State: How Military Organization Structures ...

"The Warrior State now stands as the definitive treatment of civil-military relations and politics. Through case studies that range from antiquity to modern times, the book answers time-honored questions about military structure and war, democracy and the liberal state.

The Warrior State - How Military Organization Structures ...

How Military Organization Structures Politics. Authors: Dolman, E. The Warrior State argues that the military can facilitate democracy as the result of specific norms and conditions that focus on individual action. Ironically, this may be best inculcated through a focus on the offensive, precisely the military doctrine commonly seen as most likely to result in international conflict. The
