So far, I have purchased Jim Henson, Dr. Seuss, George Lucas, The Beatles and Walt Disney for my son. These books are a great way for me to introduce the people who have always inspired me, to my own children. I believe that reading about different creative talents throughout history is not only a great way for kids to learn but also a great way to inspire them. We always have great conversations when we discuss the people from these books because we teach each other new things.
